

WASTE NOT, WANT NOT

How many times have you heard that saying?
Well are you heeding the advice? Do you recycle?

Many of us moved into Seven Oaks back when our addition signed contracts with private haulers to pick up our trash. Both Waste Management and National Serv-All used to charge to come out and pick up recyclables. This is no longer the case – **THE CITY OF FORT WAYNE DOES NOT CHARGE EXTRA FOR PICKING UP RECYCLE BINS.**

It only takes a moment to separate the trash and it adds years to a landfill. Soon the City will be instituting a “single stream” system making the process even easier for the environmentally conscious citizen.

PLEASE TAKE ADVANTAGE OF THIS FREE SERVICE.
